[Contact RentPP](#)

Stand-in principal services so agents can trade legally.

PPRA registration and compliance support.

Agency setup, FIC, CPD, FFC and document guidance.

Ongoing compliance management, audits and mentoring.

For estate agencies, developers, managing agents, bond originators, letting agencies and PPRA-regulated businesses.

WHAT RENTPP DOES

Compliance help for launching, operating and growing a property business.

RentPP is built for property practitioners who need a compliant structure, faster registration support, and ongoing guidance through PPRA, FIC and operational requirements.

Stand-In Principal Services

Operate under a qualified Principal Practitioner while RentPP manages compliance requirements in the background.

[Read FAQ](#)

Book RentPP in three steps.

The process is designed to move quickly: choose the right package, reserve a consultation, then let RentPP handle the compliance and registration work.

1

Decide on the service you need

Choose from Stand-In Principal, Agency Setup, or Ongoing Support based on your stage and compliance needs.

Stand-In Principal

Agency Setup

Monthly Support

2

Fill in the appointment form

Use the website booking section to select your package, date and time, then provide your name, email, phone number and booking notes.

[Read Q and A](#)

Can I still run my own agency?

Yes. You manage your business while RentPP oversees compliance requirements.

Can I open an agency if I am not yet a Principal Practitioner?

Yes, through a compliant Principal Practitioner structure while requirements are completed.

Do you assist with Firm FFC applications?

Yes. RentPP handles the Firm FFC registration process and related compliance setup.

Can services be handled remotely?

Yes. Services can be handled anywhere in South Africa through email, WhatsApp, phone and online submissions.

What if PPRA delays or rejects my application?

RentPP assists with compliance corrections, outstanding documents and proper resubmissions.

What do PPRA inspections check?

Common checks include FFCs, mandates, trust account compliance, FIC records and operational documents.
